suffer severe & excruciating
 pain for 6 months. Dr. Andrews,
 Bellingham County Jail and
 its superiors, and subordi-
 nates are guilty of violating
 Plaintiff's equal ^{18th} amendment
 rights and deliberately also
 left Plaintiff in severe,
 intractable, excruciating
 pain by denying him opiate
 pain medication from 4-30-14
 to 10-21-14. RN, Katie, on 4-30-14
 wrongfully removed Plaintiff's
 velero volar splint which was
 applied to my left wrist and
 entire arm. There were surface
 fractures too. It was suppose
 to stay on for 30 days.
 Dr. Andrews and Sally Andrews
 knew that Katie did this too
 and did nothing but leave me
 in severe pain and agony

Defendants, John & Jane Doe acted with deliberate indifference to my 8th and 14th amendment rights and refused to prescribe opiate pain medication to relieve my severe teeth and gum pain. All my teeth needed to be removed. They denied this. I got all my teeth removed on 4-8-15 in prison. There is no excuse for this. John Doe wrongfully denied me my Hlonopi for panic attacks - even though I had an active prescription.
